

GREENE STREET ANTIQUES

June 1st 2002

Mr. Higgins

Hope things are well & you're
feeling much better.

Enclosed copy of appraisal done by
the bank "First Union". The pictures in
the appraisal report are not so clear. I send
some pictures which I had handy. These are
only from one section of the house.

Will see Bob next week in Brazil. Hopefully
you will follow soon.

Things are going much better with us
